## Policies

### Carry-Ins

Because of the threat for foodborne illnesses and local health code, no carry-in of food or drinks are allowed. We understand that desserts are a mainstay for any party. We also recognize that we do not have a full menu of desserts that may support your event. To accommodate our customers but limit the liability associated with any health issues, we do make a carry-in exception by allowing desserts to be brought in provided a liability waiver be signed and a list of the desserts be provided at the time of the event.

Talk to our staff about desserts that may be offered. If you wish to carry-in desserts, we encourage desserts be bought at a licensed
